Limit of Liability/Disclaimer of Warranty

The publisher and the author make no representations or warranties with respect to the accuracy or completeness of the contents of this work and specifically disclaim all warranties, including without limitation warranties of fitness for a particular purpose. The advice, methods and techniques contained herein may not be suitable for every situation. If you decide to use the information, procedures and advice in this book, neither the publisher nor the author shall be liable for any injury, delay, loss of profit or any other commercial damages, including but not limited to special, incidental, consequential, or other damages.

Many of the designations used by manufacturers to distinguish and identify their products are trademarked. Where those designations appear in this book and the author was aware of a trademark claim, the designations have been printed in initial caps. Metal Arts Press makes no claim to any trademark except for its own as shown at the top of this page.
